

# WSCGA Rule of the Month

## Hard Card Edition

**Hard Card** - A document that lists all of the Local Rules and Conditions of Competitions that are in effect for every event in that association.

**Modification in SCORECARD CERTIFICATION** – A player has a 15-minute ‘grace period’ from when they turn in their scorecard to when it is officially submitted. In this grace period, changes to the scorecard may be made.

**Model Local Rule L-1** - If a player’s scorecard is officially submitted without the scores being certified either by the player, the marker or both, the player gets the general penalty (two penalty strokes).
